REUNION OF BUXTON FAMILY ENDING THIS WEEK WITH TOUR OF CALIFORNIA POINTS

After a round of entertainment which started May 15, Bronson C. Buxton, Torrance realtor, his sister and three brothers, today are capping their first reunion in 50 years with a trip through northern California. The family group left Monday for Santa Maria, San Francisco and Yosemite National Park, and plan a return trip through Sequoia National Park and Fresno, where they will visit Mrs. Virginia Scott, a daughter of Mr. and Mrs. B. C. Buxton, on Memorial day.

Gathering in Torrance for the first time in half a century, the group honored the birthday anniversary on May 17 of B. C. Buxton. The last time they were all together at one time was in November, 1897.

Upon their arrival May 15, Mr. Buxton entertained his brothers as his guests at Rotary club. The following day a round of activities for the visitors began with a birthday dinner party at Carl's Lemert park cafe, where motion pictures were taken during the dinner. Returning to the

Townsend members will meet in Men's Bible class building at 7:00 o'clock Friday evening, May 30. Everyone is cordially invited. Each guest is asked to supply doughnuts, and coffee will be served by the committee in charge of arrangements. An interesting evening has been planned.

Buxton home reminiscences of the group's early days were recorded.

Luncheon May 19 at Huntington Hotel, San Marino, was an enjoyable affair for the group, and on May 20 they toured Warner Brothers studio; May 21 was spent in Catalina, May 22 they attended the play "Tumplestiltskin," presented by Chadwick Rolling Hills school. Culture of orchids was learned first hand Friday in a visit to Wright's greenhouses in Gardena.

While individual members of the family had visited from time to time during the past 50 years, the reunion in the home of Mr. and Mrs. Bronson C. Buxton was the first time all had been together in the half century period. The brothers are:

Frederick J. Buxton, who drove to California from his home in Mt. Dora, Fla., for the reunion. He is a retired manufacturer of soda fountain equipment, with a factory in Philadelphia. Harrison H.
